

Proud to be the lead sponsor of the housing supply stream.

Creating tomorrow's prosperous and connected places

Capita Real Estate and Infrastructure are proud to be the lead sponsor for the housing supply stream at Housing 2017. The conference brings together housing professionals, including over 200 speakers covering five streams of high-level topic including government keynotes, policy and strategic advice over three days. Please join us at our events or meet our team during the housing supply stream of the conference found in Charter 4.
